

Gathering Of Relatives In The House Of Buena Mois Cestnik

This is a gathering of relatives in the house of Buena Mois Cestnik, nee Yulzari. The photo was taken in 2000 in Ruse.

From right to left is my son-in-law Svetlozar Cestnik, and next to him, sitting, is his niece, Michal Beniesh, my brother Sami's daughter, born and living in Tel Aviv, and his nephew, Mois Yulzari, the son of my son Sinto and my daughter-in-law Sima. Next to Mois is his sister Stela and his cousin Shelly Beniesh, the older daughter of my brother, also born and living in Tel Aviv, but I don't know when exactly both my brother's children were born. Between them is my daughter Buena Cestnik. I am sitting on Stela's left side.

At present both my brother's daughters live in Israel together with their families. We still keep in touch. They came to visit us and I visited them twice - in 1959 and the second time was in 1960. I have never had any problems concerning political matters or any other problems connected with my trips to Israel or keeping the relationship with the nearest and dearest.
