

Yvonne Capuano-Molho And Her Family Out On A Walk

Every Saturday morning the women of my family used to go for a walk in the Park of the White Tower in Thessaloniki.

In this photo we are starting out on a hike in 1934. I am first from left. Next to me is my mother, Erietta Molho, nee Moshe.

To her right is my grandmother, Bienvenida Moshe, nee Florentin. First from right is my sister Nina Frances, nee Molho.
