

Judita Vodna And Veronika Kosikova

This is a picture of my cousin Judita Bodna, nee Vodnyova and me. It was taken in 1945 but I don't recall where exactly.

Judita is the daughter of my mother's brother, Jozef, or Dodo, Vodny (nee Wasserman). She lives in Israel. She speaks fluent Slovak. Her husband comes from Poland; he is an architect. They also speak Hebrew and English.
