

Girls

This is a photo with my mother, Alzbeta Urban, née Grunfeld. My mother is the young lady sitting on the left. The photo was taken in Trnava in 1928 at Atelier Nagy. My mother was born in Trnava in 1913. I don't know how many siblings she had. We knew only one of her brothers. He appeared at our place after World War II. It was a very hectic time. I can't even tell you anything more about him.
