

Vacation

This photograph was taken in 1963 on vacation in Bezovec. Standing in front of me, Ladislav Urban, is my half-sister Zuzana Urbanova. In the background is a Gypsy village under Bezovec. We have a cottage not far from there, in the town of Nova Lehota, about 5 kilometers away. Zuzana currently lives in the USA, and works as the manager of a kitchen in some Jewish boarding house. My father remarried after the war, and took Alica Haas as his wife, with whom he had two daughters, Zuzana and Hana.
