5 siblings: 2 brothers, Izidor, Sami; and 2 sisters, Viktorya and Sara from my grandfather's first wife and another brother, Beno, from my grandfather's second wife.

Izidor left Turkey (I don't know when or why) and went to settle in the USA. He married someone there and had a child but we never had a lot of information on him. He had one son only.

When Viktorya Danon got married, she became a Schilton. Her husband's name was Rober Schilton. Rober was of Italian nationality and he came from Bursa. They got married in Bursa, then they came to Istanbul and lived in Tunel. They had 4 children: 2 girls, Sara and Suzi; and 2 boys, Alber and Sami.

My father's other sister, Sara Danon married another of the Schiltons but I do not remember his name. She married a brother of Rober Schilton's. They lived in Paris and had 3 children, with the same names: Alber, Sami, Suzi.

I do not remember anything about the other brother, Sami.

I do not know when the last brother, Beno was born. He grew up and got married and had a son, Albert Danon. He lives in Istanbul, in Sisli. I do not have any other information about him.

*Tell me about her brothers and sisters. (name, date of birth and death, occupation, place of residence, family, etc.)*

4 brothers: Alber, Mishel, Jak and Dani (Daniel), all of them born in Salonika.

Alber Benmayor went to Germany when he was 16. He studied there, then he started a business. He opened a razor blade factory there. Then when he came back he lived very close to our house in Kurtulus. Here he opened a jersey cloth factory. He was quite well-off. He had a son, Maryo Benmayor. My uncle Alber died here in Istanbul in 1950.

Mishel was also born in Salonika. He also went to Germany when he was very young both to study and then to do business. He was in business with his older brother Alber and then came back here when Hitler came. After the war was over, he went to Paris. There he married a woman whose surname was Behar and whose first husband had been killed by the Germans. He went into the textile business in Paris. He died in Paris, in 1962.

Jak Benmayer got married here and then went to Los Angeles with his wife. I do not remember when he went or who his wife was. We were told he had 2 daughters.

Daniel lived in Istanbul and married an Italian girl called Emilia Kilkus. They did not have any children. He was in business with her father. I think they had a hardware shop. Later on, when the business did not go well, he took his share and left. He bought two flats with that money and lived on the rent of those flats. He did not work. Daniel died in 1957.
