

Introduction to Haver Srbija:

Few sentences about Haver Srbija (when was established, who are the people involved, what are the aims)

In pairs or small groups participants receive pictures that represent different projects of Haver Srbija. Based on the picture group should answer two questions: What is happening on the picture? What is the approximate age group of people on the picture? After each group we explain a bit more about the projects.

Focus on the school project *Knowledge=tolerance* and cooperation with teacher Nada Banjanin Djuricic as closes and most intensive/productive cooperation

I level – Individual cooperation

- Production, contribution and review of Teacher's manual *Portraits and memoirs of Jewish community in Serbia before the Holocaust*.
- Guided tours of Staro Sajmiste by Nada for Israeli young leaders

II level – In schools

- Haver Srbija's school workshops
- Visits of Nada's students to synagogue, Jewish holidays and different community events

III level – project that reaches general society or/and large number of schools

- Commemoration event (27th of January (Belgrade) and 16th of June (Subotica) – creating a program together and involving other schools to take an active part in Commemoration event
- School contest "Holocaust - culture of remembrance" (art, literature, multimedia)
- Scientific conference, Novi Sad – One school day around Holocaust

Presentation will be covered by flyers, pictures and educational material
