

Short movie process

Preparations of the 1st week (2nd of May)

- The 6 students will be divided into 3 groups.
 - Teacher provides a brief synopsis of the interviewee's life.
 - The students prepare the questions. (The teacher provides some topics to be extended by students)
 - The students decide what they'd like to shoot like the interviewee, some pics, letters, private items, a part of the house and etc.)
 - Each student has a different responsibility during the process like asking the questions, shooting, timing and etc.
 - Teacher gets the consent of the interviewee and details him/her what might be needed for the video.
- **We will visit the person between the 4th - 8th of May 2013**

Each student after the interview prepares a brief summary of the person interviewed at home in Turkish. The summary has to be maximum 2 pages long.

Preparations for the 2nd week (9th of May)

- Each group will prepare only one summary gathering the info of the summaries prepared at home and translates it into Spanish.
- Groups will prepare story board. Each student will have the responsibility of a different chapter of the interviewee's life.
- Groups will then start to make the video. If necessary groups can have technical help.

In the **16th of May** (3rd week) we will realize the narrations.

Preparations of the 4th week (23 de mayo)

- Groups will continue making the video and will finish them.

Criteria for the video making project

criteria	points
Visiting the person	20
